A new path for the Journal of the Foot & Ankle - JFA

Alexandre Leme Godoy-Santos, Cristian Ortiz, Daniel Baumfeld, Gabriel Khazen, Luis Hermida, Marcelo Prado, Marco Túlio Costa, Mario Herrera, Pablo Sotelano, Paulo Felicissimo, Santiago Guerrero, Cesar de Cesar Netto. 1

Original Article

Minimally invasive technique with intramedullary nail for treatment of severe hallux valgus: clinical results and surgical technique

Felipe Chaparro, Pablo Andrés Cárdenas, Ana Butteri, Manuel J Pellegrini, Giovanni Carcuro, Cristian Ortiz. 3

Tendoscopy in stage I posterior tibial tendon dysfunction: results after minimum follow-up of 8 years

Gabriel Khazen, Cesar Khazen. 9

Achilles tendon reconstruction combining a modified Dresden technique and endoscopic flexor hallucis longus transfer

Felipe Silva, Felipe Chaparro, Mario I Escudero, Cristian Ortiz, Giovanni Carcuro, Manuel J Pellegrini. 14

Lateral ankle stabilization with a polyester fiber construct implant as a revision for failed primary lateral ligament reconstruction

Luis Felipe Hermida Galindo, Elias Hermida Ochoa, Armando Torres Gomez. 19

Clinical and radiological outcomes of the first metatarsophalangeal arthrodesis with Kirschner wires for the treatment of severe hallux valgus

Luiza Horta Barbosa, José Antônio Veiga Sanhudo. 24

Preliminary short-term results of ankle arthroplasty with the Taric® prosthesis

Waldo Campos Lisboa Neto, Marco Túlio Costa, Ricardo Cardenuto Ferreira. 29

Patients' perspective on the surgical treatment of hallux valgus

Eli Ávila Souza Júnior, Mateus Cardoso Thiers Vieira, Tiago Soares Baumfeld, Daniel Soares Baumfeld. 36

Isolated subtalar arthrodesis causes loss of ankle mobility

Camilo Miranda de Pinho Tavares, Roberto Zambelli de Almeida Pinto, Fernando Araújo Silva Lopes, Rodrigo Simões Castilho, Thiago Alexandre Alves Silva, Daniel Soares Baumfeld. 41

Evaluation of calcaneal enthesophytes in insertional Achilles tendinopathy by radiography and magnetic resonance imaging: intra- and inter-observer reliability

Dário Maciel Silveira Junior, Tiago Soares Baumfeld, Daniel Soares Baumfeld, Wilel Almeida Benevides, Thiago Alexandre Alves Silva. 46

“Double-bundle” tibialis anterior tendon transfer for prevention of pes equinus after Chopart amputation	52
Daniel Maricondi Massari, Marcio Gomes Figueiredo, Helencar Ignácio, Rafael Guirado, Wilisson Ribeiro Filho, José Alexandre Lopes da Silva Alvarenga.....	
Radiographic study of Böhler and Gissane angles in the Brazilian population	57
Eurico Carneiro da Silva Louro, Thiago Batista Faleiro, Tiago Miranda Pereira, Leonardo Donato de Souza Ferreira, Roberto Guimarães Rezende, Tomás Amorim Andrade	
Minimally invasive repair of acute Achilles tendon injury: description of technique and evaluation of outcomes	62
